

ACCESSORIES FOR POWER TOOLS

MIXERS THX1652 SET. 2 PCS.

PRODUCT FEATURES

Spiral mixers for the TRYTON THX1652 twin-spindle mixer – set of 2, right and left. Made of steel. Galvanized to protect against aggressive agents for steel, found in mortars and adhesives. The mixing cup is made of thick, flat sheets twisted spirally to each other. The mixers effectively handle heavy mortars that need to be mixed into a uniform mass..
